

### Make a "Frame" Greeting Card:

### Make a "Peek-a-boo Reveal" Greeting Card:

1. Cut out template along the dashed line.
2. Cut a piece of paper to the same size as the template.
3. Place the template over the paper, and use a needle or craft knife to pierce the corners of the inner rectangle.
4. Cut a rectangle, connecting the dots.
5. Remove the center.
6. Place a photo or a design in the middle, then attach to a card.

1. Cut out template along the dashed line.
2. Cut a piece of paper to the same size as the template.
3. Place the template over the paper, and use a needle or craft knife to pierce the corners of the inner rectangle.
4. Cut an "x", connecting the dots.
5. Fold out the flaps.
6. Place a photo or a design in the middle, then attach to a card.
